**Keeper's Cottage hides on the westerly edge  
of Blackenrock Island.**

**It's your first 'port of call' when exploring the islands of  
Ulcombe Bay.**

**It is a ragged, rocky, wave beaten place, which few care to visit.**

**Some say it's haunted, others say it's cursed.**

**Only the lonely, ignorant sheep dwell there now, many of  
which fall from the cliffs, into the sea, where they slowly  
drown in the briny waters.**
