The sequel to the award-winning **A Vampyre Story**, AVS2 follows the comic adventures of Mona de Laffite, French opera starlet-turned-vampire, and her wisecracking bat, Froderick.

Mona, the unwilling vampire mired deep in denial, is trapped by the vindictive Dr. Riga Mortus in his secret lab in Draxsylvania.

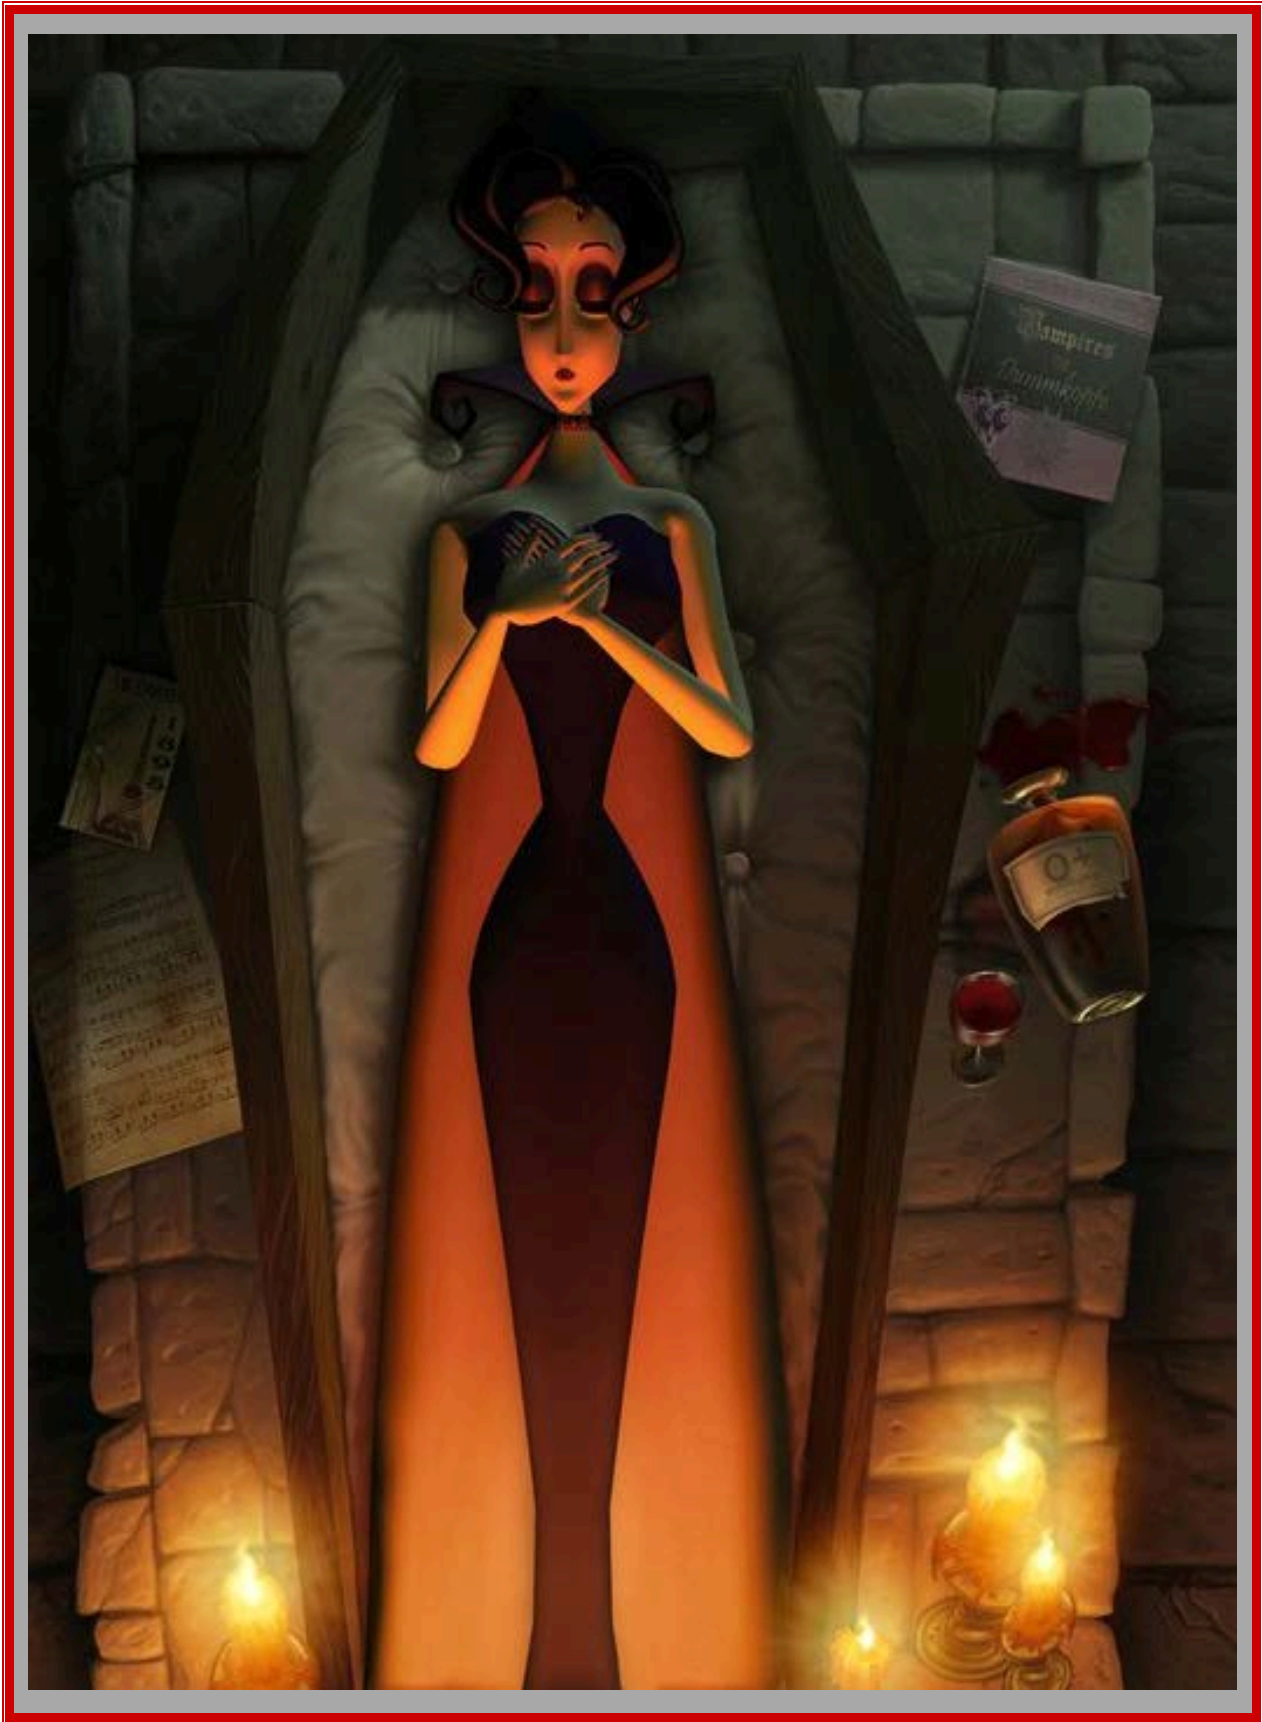

Players will guide Froderick through the macabre town of Gothford Falls, where he will encounter old enemies and make some new friends, including inept magician The Great Fauxdini, conceited local Goth artist Raven Gothguy, and seriously lame serial killer Jack the Gimper among many others.

Mona and Froderick will explore many interesting locations, such as Dr. Legume's Home for the Sanity Challenged, an Executioner's Practice Grounds, Mortus Labs, and, the scariest of all, a tavern full of disgruntled sports fans low on beer! Help Froderick free Mona by dressing as a little girl again, making his own zombie, and getting pummeled almost to death by the local hooligans, the notorious Belfry Boyz.

Then play Mona as she scours through hundreds of shamelessly padded résumés looking for the perfect day-time guardian to watch over her as she returns to Paris!
