(A Carol Reed Mystery 10)

<http://www.mdna-games.com/Bosch/about.htm>

**In 1994, the Swedish engineer, entrepreneur and adventurer Malte Stierngranat was buried in a pyramid that he had designed himself. It was erected almost half a century prior to his death. Years later, Malte's son Erik and his family go missing. Carol Reed is contacted by the families caretaker and cleaner, George, and has to delve into Malte's illustrious life and legacy.**
